Interested in trying some new wines?

Do you need some tips about pairing wines with certain foods?

Do you want to find a delicious wine that is a terrific bargain or a special wine that is worth the splurge?

Plan to be with us as we taste a few whites and then move on to Spanish and Italian reds, paired with savory treats from Café Louise. Tony Rousseau, Wine Manager at Super Cellar, will lead a discussion about the wines selected for the evening. Best of all, the wines being poured will be available for sale at a discounted price!
