

## ***DEVELOPING YOUR BIO AND...***

**Members Only Event**

Wednesday, July 28<sup>th</sup>

5:30-7:30pm

Hartford Seminary

77 Sherman Street, Hartford

As professional women, your resume is always updated, but what about your bio? Most of you probably do not have one ready, do you?

How about your "Elevator Speech"...or is this a term you are not familiar with?

Join us for an evening in which you look at how you present yourself to the outside world, and how they see you. This insight can be used to advance your career, strengthen your network, get tapped for a plum board assignment or build a new client base.

After the presentations, you'll have time to ask questions, work on your bios, or just relax and catch up with other members. There will be wine/soft drinks and delicious hors d'oeuvres waiting for you.
